Macmillan Coffee Morning

Dear Parents/Carers,

Supporting the Macmillan Coffee Morning is a very worthy cause and at one time or another we have been touched in some way by cancer, whether personally or through a close friend or relative.

We usually invite parents in for this event, but we are currently reducing the number of parents into school to minimise the risk of transmission. However, we still want to fundraise for this important cause, so we are holding a class 'coffee (squash) and cake/biscuit' event for the children. On the morning of **Friday 24th September**, we will provide drink and cakes/biscuits for each child for a donation of £1. If your child has allergies, you can provide a snack for them.

We hope you can support the morning.

Yours Sincerely

Mrs. L Williams
Headteacher
